

Malcolm's Treasure Hunt, to be judged on 3rd April, 2018

A similar formula for the Treasure Hunt to last year will be used this season. The following will apply for 2017-18:-

1. Pick any day in the 12 months since the previous competition (4th April 2017); a 24 hour period from midnight to the following midnight.
2. Submit your best 10 images taken during that 24 hour period, as jpegs on a memory stick or CD, to be brought along on 3rd. April 2018. No prints please.
3. No theme is required. This is not a panel. Each image will be marked on its own merits.
4. No composite images please. Normal post processing adjustments plus cloning within each image is OK.
5. Please ensure your camera(s) clock(s) is/are set correctly, and save your images in jpeg format with the EXIF data retained.

I would suggest that you pick a day when the weather is good, but it is of course entirely up to you. You could choose summer, autumn, winter, or spring; rain, snow, sunshine, the choice is yours.

The venue(s) is/are up to you: A sports meeting, a day in the Cotswolds, a day during your holidays, even Xmas (shudder) day, or a wander around Stratford. Go out and take some pictures, and I look forward to seeing the finished results.

The winner will receive a valuable gold and silver trophy to be held for one year. Good hunting.
